ATTRACTIONS

Wine tastings: Demir Kapija valley, the southernmost part of the Tikvesh wine region, is one of the best viticultural area in the world and a pioneer in the wine tourism on the Balkans. We are inviting you to taste our magnificent wines. . .

Hiking: There are multiple hiking paths within the area of Demir Kapija with different length and difficulty levels whereas all are great for the nature lovers and all have great sightseeing spots.

Biking: With more than 130km of biking trails Demir Kapija is a true paradise for the bikers. Bring your own bike or rent one here. . .

Promenades: Looking for relaxing promenade in the nature? Demir Kapija valley with paths along the four rivers and numerous vineyards offers unforgettable moments.

Bird Watching: Demir Kapija Gorge is one of the richest ornithological reserves in Europe by the presence of rare vulture birds. Get your binocular and zoom lenses and get up early morning.

Sightseeing: We have several sightseeing spots on the hills and mountains around the valley that offer spectacular views. Want to get some great pics?

Events: 14th of February is St. Triphun's day when we celebrate the start of the new grape/wine season and we start pruning the vineyards. 28th of August is St. Mary's Day – it is a holiday for the whole town of Demir Kapija. Outdoor festival is a long spring weekend full with adventures. Check out for more events at www.visitdemirkapija.mk or contact our tourist info center.

Rock Climbing: The Demir Kapija gorge is a world-class rock-climbing destination. Want some adrenalin? Check it out.

Warm Pools: Real hidden gem for everyone – refresh and get in touch with the nature.

Cactus Valley: Unexpected, In the heart of Europe a hidden cactus valley. Curious?

History: 8.000 years all over the place, you can touch it. . .
